

City of Taunton Natural Hazard Mitigation Plan

Planning for Resiliency Listening Session and Public Workshop

Monday, May 9, 2022
6:00 PM—8:00 PM

Chester R. Martin Municipal Court Chambers
15 Summer Street
Taunton, MA

Listening Session—Municipal Vulnerability Preparedness (MVP)

The City is currently working with community stakeholders to identify and prioritize steps to reduce risks and improve resilience to projected climate change impacts across the community. Please join us to hear the findings developed from the MVP process.

Public Workshop—Hazard Mitigation Plan Update (HMP)

The City is currently updating the 2004 Hazard Mitigation Plan. This plan is important because it helps the City remain eligible to receive funding for projects that reduce the risk of injury or damage to property from natural hazard events such as flooding and hurricanes. Please join us to understand what the City has accomplished since the 2004 Plan and what we should be working on for the next five years.
